

**NMC-JOURNAL OF MATHEMATICAL SCIENCES
EDUCATION (NMC-JOMSE)**

(A JOURNAL OF THE NATIONAL MATHEMATICAL CENTRE, ABUJA, NIGERIA)

CALL FOR PAPERS

Editor-in-Chief
Prof. Sam O. Ale
Director General
National Mathematical Centre
Abuja, Nigeria.

INTRODUCTION

The National Mathematical Center (NMC), Nigeria is pleased to announce the floating of its technical journal called *NMC Journal of Mathematical Science Education (NMC-JOMSE)*. The NMC is the sole parastatal of Federal Government of Nigeria established with the broad mandate of promoting the acquisition of Mathematical knowledge at all levels among other responsibilities. The floating of the *NMC- JOMSE*, which will be professional peer reviewed journal is informed by the paucity of sources of disseminating the vast research reports conducted by vast pool of Educators in Mathematics Education such other Science subjects as biology, chemistry Physics, integrated science, agricultural science Education etc.

GUIDELINES FOR THE PREPARATION OF MANUSCRIPTS

Manuscripts intended for submission to the *NMC-JOMSE* should:

- i. be typed double line spacing on A4 sized paper using New Time Roman with font size of 12
 - ii. have an abstract on a separate page not exceeding 250 words and which should be type in a single line spacing
 - iii. have the main body of the article not exceeding 10 pages
 - iv. be accompanied with a title page containing
 - (a) the title of the article, the author(s) name(s) with the surname underlined
 - (b) Highest qualification
 - (c) Rank
 - (d) mailing address
 - (e) E-mail and
 - (f) GSM
 - v. carry no name on the first page of the article
- be organized under appropriate headings. For empirical reports, the following should be used: ***Background, Problem of the study, Methodology, Results, Discussions Summary and Conclusion***

TABLES

Tables should be numbered in Hindu Arabic numerals (e.g. Table I, Table x etc.). they should not flow over to the next page. The table number and the heading should appear on the top of the table in italics.

REFERECING STYLE

All in-text citations and referencing should be in accordance with the most current American Psychological Association (APA) referencing style.

QUOTATIONS

- Page numbers of the sources of directly quoted passages must be provided
- Passages that are 40 words or more should be indented with ½ inch margin to both the right and left
- Do not indent any passage that is less than 40 words

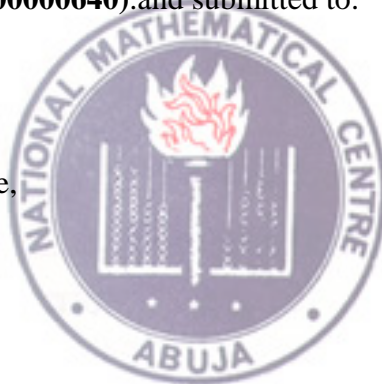

RESULTS

Do not restate your research questions or hypotheses under this section, present your results in tables and figures with appropriate headings,

SUBMISSION OF MANUSCRIPT

- Three hard copies of the manuscript are to be accompanied with an evidence of payment of a vetting fee of N2000.00 (two thousand naira) or \$25 (twenty five dollars) into the National Mathematical Centre account in the **Intercontinental Bank PLC** (Account number **000500100000640**).and submitted to:

The Managing Editor,
NMC-JOMSE
C/o Prof. D.N. Ezeh
National Mathematical Centre,
P.M.B. 118,
Abuja.

OR

An electronic copy of the manuscript and a scanned evidence of payment of a vetting fee of N2000.00 (two thousand naira) or \$25 (twenty five dollars) into the National Mathematical Centre account in the **Intercontinental Bank PLC** (Account number **000500100000640**).and e-mailed to *nmcjournals2010@yahoo.com*:

- Information on the status of the article will be communicated to the authors on the receipt of feedback from at least two reviewers
- The final manuscript after the revision should be submitted online to:
nmcjournals2010@yahoo.com
- There is no deadline for the submission of manuscripts. Intending authors can submit articles any time of the year
- Manuscripts are reviewed as they are received on a continuing basis
